THE EXPERIENCE

MEET BAZ. SET THE MOOD.

I'm Baz, DJ SonOfJohn. I'm based in Bristol and bring five years of stadium DJ experience to weddings, celebrations and corporate events. I listen to your ideas, read the room and mix across generations - from Motown and disco to house, trance and drum & bass.

MUSIC WITH YOUR GUESTS IN MIND

Share your must-plays, your do-not-plays and the moments that matter. We will agree the feel of the evening, key announcements and how guest requests fit your plans.

WHY CHOOSE A PROFESSIONAL DJ?

The advantages

Live judgement when the energy changes; smooth transitions; one person coordinating the music and agreed announcements; a sound and lighting plan suited to the room.

THE PRACTICAL TRADE-OFFS

A professional DJ costs more than a DIY playlist. The setup needs space, power and access time. Popular dates need advance planning, and venue noise limits may shape the lighting and sound options. Agree the scope before booking so the night fits your budget and expectations.

The right choice is the one that fits your event, your venue and the experience you want for your guests.

SOUND & LIGHT

YOUR SETUP. YOUR ATMOSPHERE.

A more energetic atmosphere with an agreed lighting approach and room-appropriate sound.

FROM ENQUIRY TO ENCORE

AN EASY BOOKING JOURNEY.

01 Tell me about your event

Use the booking form with your date, venue, timings and music ideas. I will check availability and discuss the right setup.

02 Review your personal proposal

Check the price, playing hours, equipment and terms. If I offer a 48-hour hold, the exact deadline will be stated in your proposal.

03 Secure the date

Accept the agreed contract and pay the stated deposit. Your booking is secured when I send written confirmation; the enquiry form alone does not book the date.

04 Plan the details

We agree key tracks, announcements, timings, access and venue requirements. The remaining balance is due on the date shown in your proposal.

05 On the day

I arrive at the agreed access time, set up and soundcheck before the performance. During the event I follow your brief, read the room and coordinate agreed moments. Pack-down follows the agreed finish time.
